AspenTech Microgrid Management System

AspenTech's product portfolio represents the broadest footprint of process optimization solutions in the market. Our best-in-class products span engineering, manufacturing, and supply chain operations, enabling you to create and maintain sustainable best practices while driving operational excellence.

Process Simulation for Energy

- Aspen HYSYS®
  - *Acid Gas Cleaning™*
  - *Aspen HYSYS Crude™*
  - *BLOWDOWN Technology™*
  - *Relief Sizing™*
  - *Sulsim Sulfur Recovery™*
  - *Activated Economics™*
  - *Activated Energy Analysis™*
  - *Activated Exchanger Design & Rating™*
- Aspen HYSYS Petroleum Refining™
  - *Refinery Reactor Models™*
- Aspen HYSYS Upstream™
- Aspen HYSYS Dynamics™
  - *Activated Dynamics™*
- Aspen Hybrid Models™
- Aspen Multi Case™
- Aspen Operator Training™
- Aspen Flare System Analyzer™

Process Simulation for Chemicals

- Aspen Adsorption™
- Aspen Batch Process Developer™
- Aspen Chromatography®
- Aspen Custom Modeler®
- Aspen Hybrid Models™
- Aspen Multi Case™
- Aspen Plus®
  - *Aspen Polymers™*
  - *Aspen Properties®*
  - *Batch Modeling in Aspen Plus®*
  - *Distillation Modeling in Aspen Plus®*
  - *Relief Sizing™*
  - *Solids Modeling™*
  - *Activated Economics™*
  - *Activated Energy Analysis™*
  - *Activated Exchanger Design & Rating™*
- Aspen Plus Dynamics™
- Aspen Process Manuals™
- Aspen Flare System Analyzer™

Advanced Process Control

- Aspen DMC3™
- Aspen Virtual Advisor (AVA) for DMC3™
- Aspen DMC3 Builder™
- Aspen Inferential Qualities™
- Aspen Nonlinear Controller™
- Aspen Transition Management™
- Aspen Watch Performance Monitor™

Demo Version - Select.Pdf SDK

Dynamic Optimization

- Aspen GDOT™

Manufacturing Execution Systems

- Aspen Production Execution Manager™
- Aspen Unified Reconciliation and Accounting™
- Aspen Operations Reconciliation and Accounting™
- Aspen Tank and Operations Manager™

Petroleum Supply Chain

- Aspen Unified PIMS™
- Aspen Unified Scheduling™
- Aspen Unified Multisite™
- Aspen Virtual Advisor (AVA) for Unified PIMS™
- Aspen Verify™ for Planning
- Aspen PIMS-AO™
- Aspen PIMS™
- Aspen Assay Management™
- Aspen Petroleum Scheduler™
- Aspen Refinery Multi-Blend Optimizer™
- Aspen Petroleum Supply Chain Planner™
- Aspen Fleet Optimizer™
- Aspen Fleet Forecasting™
- Aspen Collaborative Demand Manager™

Supply Chain Management

- aspenONE® Supply Chain Management
- Aspen Scheduler Explorer™
- Aspen Collaborative Demand Manager™
- Aspen Supply Chain Planner™

Exchanger Design & Rating

- Aspen Air Cooled Exchanger™
- Aspen Fired Heater®
- Aspen Plate Exchanger™
- Aspen Plate Fin Exchanger™
- Aspen Shell & Tube Exchanger™
- Aspen Shell & Tube Mechanical™
- Aspen Coil Wound Exchanger™

Concurrent FEED

- Aspen Capital Cost Estimator™
- Aspen In-Plant Cost Estimator™
- Aspen Process Economic Analyzer™
- Aspen OptiPlant 3D Layout™
- Aspen OptiRouter™
- Aspen Basic Engineering™

Subsurface Science & Engineering

- Aspen Echos™
- Aspen EarthStudy 360™
- Aspen GeoDepth™
- Aspen SeisEarth™
- Aspen Geolog™
- Aspen RMS™
- Aspen SKUA™
- Aspen OpsLink™
- Aspen Tempest™
- Aspen METTE™
- Aspen Epos™

Energy & Utilities Optimization

- Aspen Energy Analyzer™
- AspenTech Strategic Planning for Sustainability Pathways™
- Aspen Utilities Planner™

Operations Support

Demo Version - Select.Pdf SDK

- Aspen OnLine®
- Aspen Simulation Workbook™
- Aspen Plant Scheduler™ Family
- Aspen Supply Chain Management Insights™

Asset Performance Management

- Aspen Mtell®
- Aspen Fidelis™
- Aspen ProMV®
- Aspen Process Pulse™
- Aspen Unscrambler™

AspenTech DataWorks

- AspenTech Inmation™
- Aspen InfoPlus.21®
  - Aspen Production Record Manager®
  - aspenONE Process Explorer®

Digital Grid Management

- AspenTech Microgrid Management System™
- AspenTech OSI monarch SCADA™
- AspenTech OSI Generation Management System™
- AspenTech OSI Energy Management System™
- AspenTech OSI Advanced Distribution Management System™
- AspenTech OSI Distributed Energy Resource Management System™
- AspenTech OSI CHRONUS Historian™
- AspenTech OSI Continua Pipeline Management™

AspenTech is a global asset management software leader, providing enterprise asset performance management, asset performance monitoring, and asset optimization solutions, making industrial digital transformation possible. We help reduce downtime, making your

sustainability future a reality. Our energy transition software for sustainability and decarbonization solutions assist with emissions reduction, carbon capture and the hydrogen economy. AspenTech's innovative Industrial AI, plant digitalization, and digital twin technology support digital mining solutions and advanced manufacturing in pharma and other asset-intensive industries. Predictive analytics for industrial data helps us deliver downtime reduction for the connected enterprise. Contact us to learn how you can benefit from IoT predictive maintenance solutions, asset performance management software, predictive maintenance software, reservoir modeling, industrial data management and data analytics for utilities, solving power plant maintenance and equipment lifecycle challenges.
